STATE LAND NOTICE. UNITED STATES LAND OFFICE.

Salt Lake City, Utah, June 20, 1904.

Notice is hereby given that the State of Utah has filed in this office lists of lands selected by the said State under section 12 of the Act of Congress approved July 10, 1894. The following tracts embraced in said list are in townships containing mineral claims of record, vist—

Lots If and 22 St4 SE4 sec. 7. SR14 SW4, SW4 SE4 sec. 8 SE4 NW4 sec. 13. NE4 NE4 Section It. township 28 south, range 10 west; and lots Jand 4. NE4 SW4 sec. 1s. Etc. NE4, SE4 NW4, lot 1. SW4 NE4 section 19. township 35 south, range 9 west, and S½ NE4 section 31. township 35 south, range 10 west, S. L. Mer., in List 194 of reservoirs; and

E15 NWK, SWM NEM, NWM SEM and section 20, township 38 south, range 10 west, S. L. Mer. Utah, embraced in List 26 Public Build.

Copies of said lists, so far as they relate to said tracts by descriptive subdivision, have been conspicuously posted in this office for inspection by any person interest and by the public generally. During the sixty days next following the date of this notice under departmental instructions of November 27, 1896, (23 L. D. 469), protests or contests against the claim of the State to any of the tracts or subdivisions beroinbefore described, on the ground that the same is more valuable for mineral than for agricultural purposes will be received and noted for report to the General Land Office at Washington, D. C. Fallure so to proceed or contest within the time specified will be considered sufficient evidence of the non-mineral character of said tracts, and the selection thereof, being otherwise free from objection, will be recommended for approval.

Take notice of the tremendous cut in prices at Page & Page's, as set out in their ad this week.

James Smith is slowly recovering from the attack of fever he had, under the treatment of Dr. Green, whom he says is all right.

John Dover, who was reported to have typhoid fever, is up and around. If the case was typhoid, it has evidently been broken up before it got a good hold.

The lucerne in the fields is spoiling for the want of cutting, and the farmers dare not cut it for fear that the rain will prevent them from making it into hay.

James Parry is still ill with appendicitis, some days being a little better and then again being worse. The doctor has not yet been able to decide wheter an operation can be avoided or not.

It is said that we are to have electric lights this next winter sure. Mr. Charles Lang has sent earnest money to the city council to induce them to renew the franchise which they granted to him a year ago.

Mr. and Mrs. George E. Miles of St. George are in Cedar this week with one of their children, which they have brought to have treated by Dr. Middleton. They evidently have not forgotten the skill the doctor evinced in the case of Mrs. Miles a year or two ago.
